Brian,

It's really hard to sign these things cause I never know what to say. I only know that this year wouldn't have been the shits if you weren't around. Don't, just remember all that secret info you gave Jenny and I and all the rides, your even, job a flat tire for us - that's what I call love - but really I'll always love you and please always stay your big ole beautiful freaky self - never change. Oh Christ Lord I am being a silly girl and getting all mushy and sad like that! Don't forget this year Brian cause it's pretty important year considering all the things that happened. - But then there's next year and this summer to keep in touch. I hate these stupid year books !!! It sounds like were saying goodbye forever - but I love you that [redacted] why I say cheerio not good bye! (that's from a song)

Love ya
Holly

P.S. I'm always going to know you so why did I even sign this.??
P.P.S. Forget it!

Brian,

Of all the people (?) I know, you have got to be the freakiest. But don't let that make you think thats all I think of you. Youre also one of the warmest, sweetest, gentlest humans I know, even though I don't talk to you much. But I never was one for words. See you this summer, next year, next summer....

Affectionately
Crystal Crosby

← The key to time, Brian. I hope you find it.

STUDENTS

Brian,
What would I do
without you? Honestly
I think at times you're the
only sane person in this entire
school. Thanks for all your help this year
believe me I needed it. Take care of Baker
would you - nobody else will (smart people) and
quit being so smart in history, I swear sometimes you're
passing me through that class. Well dear have a good summer
and I'll be seeing you. Take care
Love,
Bridget.

FRESHMEN

The class of 1976 was well represented this year by 169 enthusiastic students vieing for individual honors and recognition. They quickly adjusted to the new, if not a bit frightening, surroundings of EHS by electing willing and capable officers.

Despite the fact that the first few weeks of school proved slightly bewildering for the freshmen, they overcame their initial fears, as students and teachers at EHS were willing to lend a helping hand.

The class showed as overflowing enthusiasm for learning, being well represented on the honor roll, as well as having an interest in athletics, clubs, and other activities. It seems quite possible that their exuberance will continue to contribute to the growth of our modern world.

SOPHOMORES

The Class of 1975, having challenged and conquered one year of High School, think they now have acquired the feel of the ropes and can surpass another year.

The highlight of the year, the selection of Class Rings, came in Spring. Chosen with great care, these rings represent all elements of High School life, both academic and social.

Looking back in retrospect over the year, the Sophomore Class has measured up well to the tasks set before it and look to the future with an eager willingness. They are ready to meet any challenges to face them during their last two years.

JUNIORS

President: Alan Page
Vice-President: Terry Papcke
Secretary: Bill Perepell
Treasurer: Bill Seeman

"Your junior year consists of indecision and questions about the future; enjoyment of the present; and serenity of the past." The Class of 1974 of Elkhorn High has realized the truth contained in this statement.

The class worked hard on the all-school play. The year of activity reached its climax as the juniors staged the annual Junior Prom.

All other school activities, whether they be scholastic, athletic, or extracurricular, claimed their share of eager junior participants.

Yes, it was a successful year for the juniors, who look forward to their senior year with the same enthusiasm.

SENIORS

EHS opened its doors to the Class of "73" with the hope that these students would go forth into the world giving it color and achievement. The Class of "73" intended to do just that!

The doors to Elkhorn High School appeared rather large and frightening to us when we viewed them as freshmen four years ago. We were entering a new phase of life and though anxious to begin, we hung back timidly — but not for long. Homecoming, with the class skit and float, called for class unity. During our sophomore year we were faced with the decision of selecting our class rings. Then, as courses got harder, more activities were added. In our Junior year we presented a Christmas skit, and our Junior Prom, Colour My World. Our last stage production was our Senior Class Play.

The Class of 1973 can be proud for all of its accomplishments and honors. The doors to succeed are wide-open for each student, all members of the class are awaiting this opportunity.

It seemed this time would never come,
But the day is here at last,
When we must face the future,
With memories of the past.

Our hands are clasped in parting,
Warm tears fill our eyes,
And each minute it gets harder,
To say those last goodbyes.

But pleasant thoughts within our hearts,
Will never, never die.
Instead, they will be cherished,
As fleeting years go by.

And now we'd like to share with you,
Our memories of the past.
Each one is a story true,
We know that they will last.

Our voyage is at an end,
Our ship is at the dock.
While paging through our log,
To you, these memories we unlock.

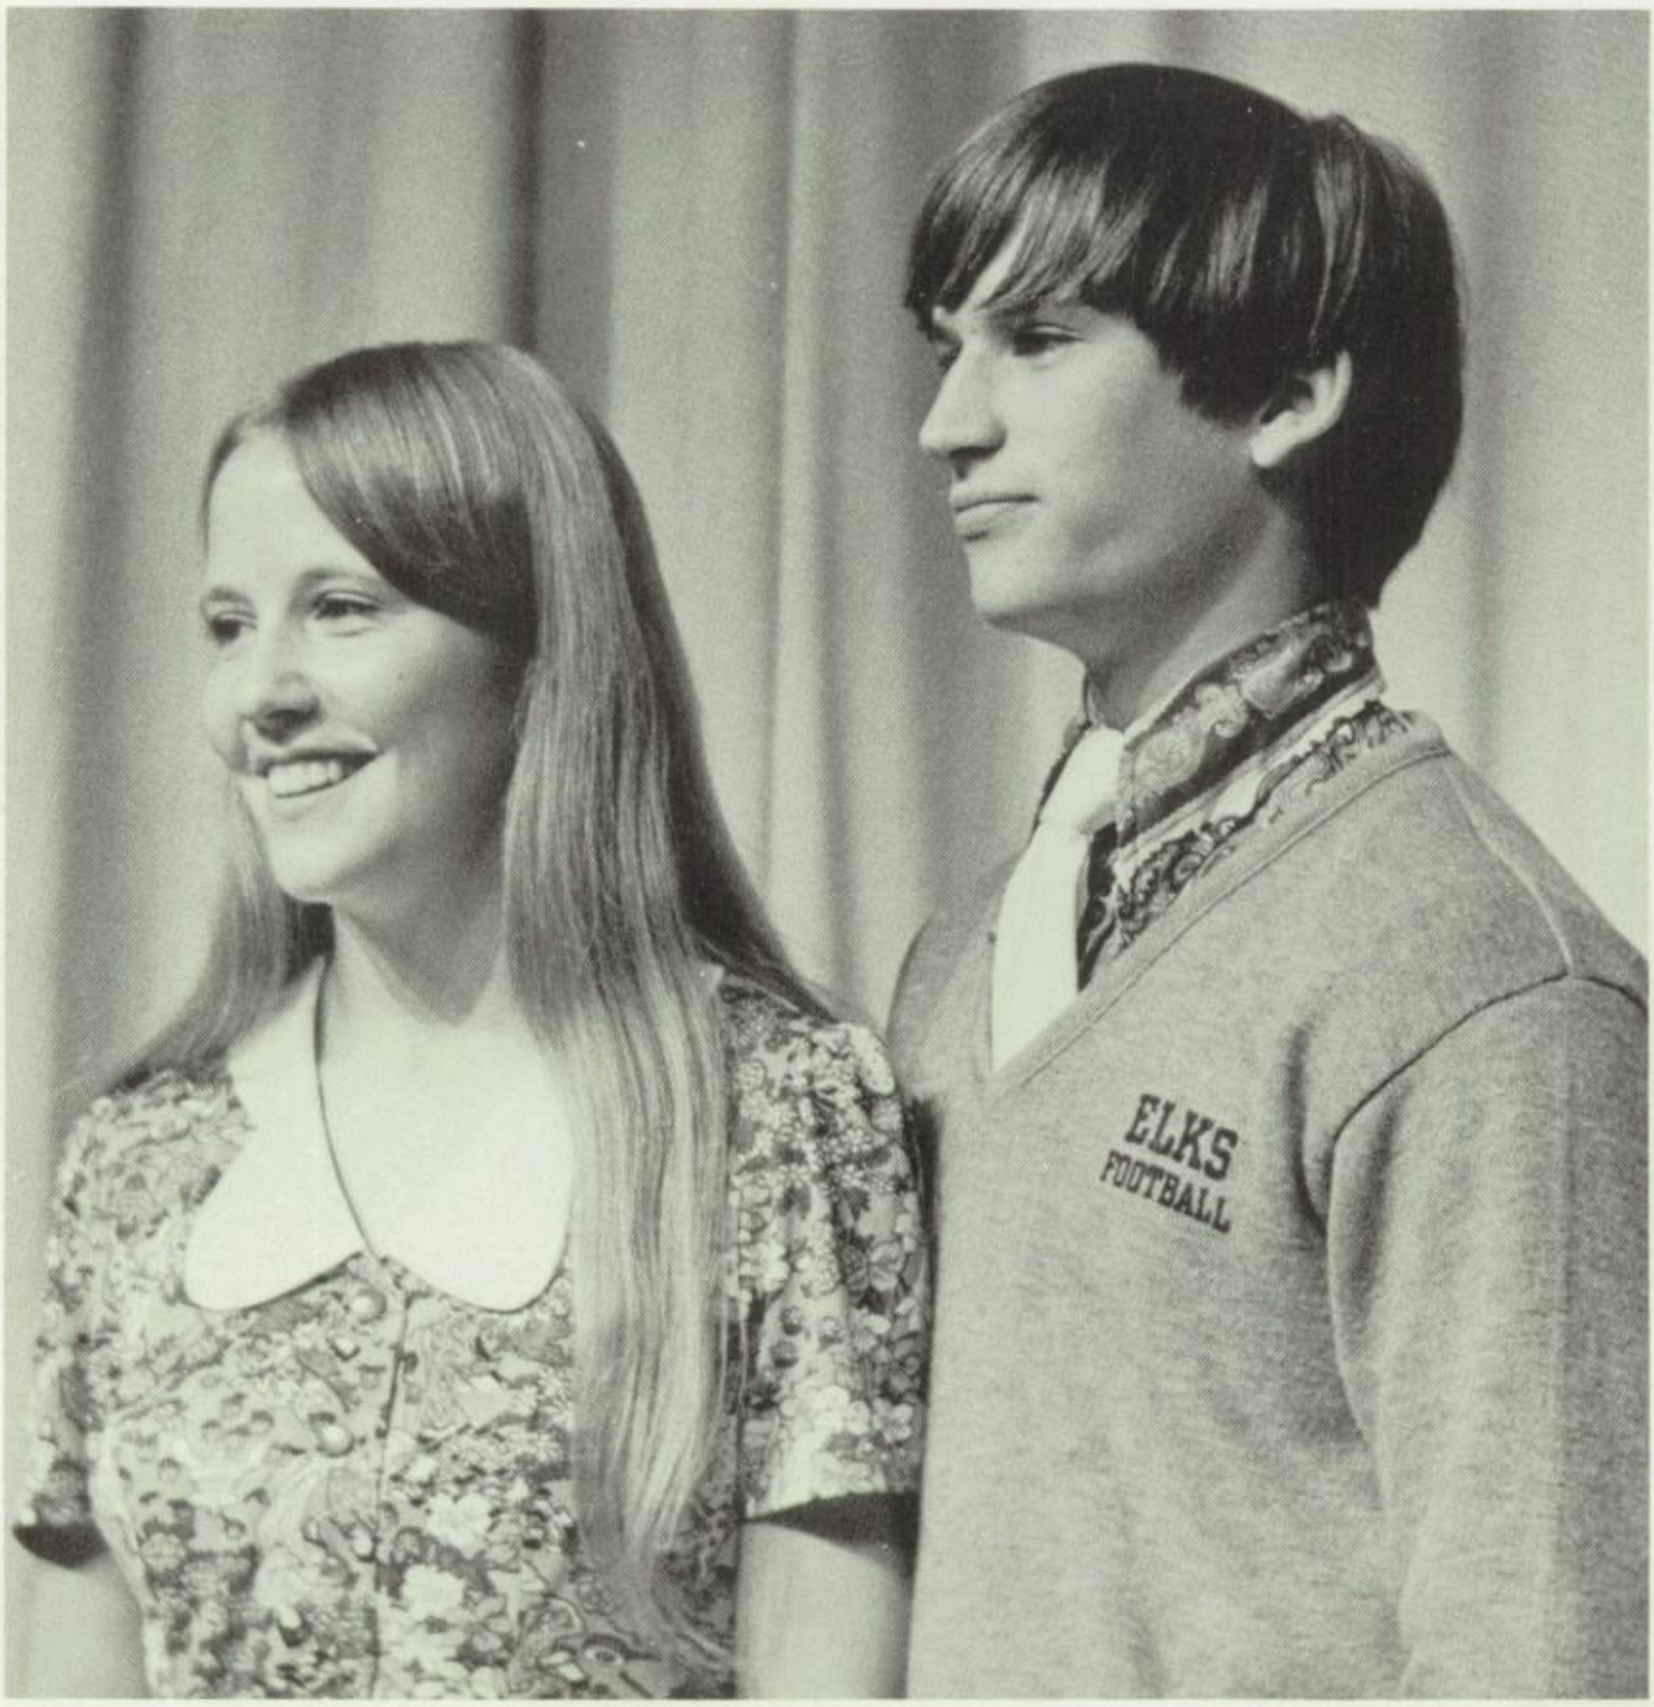
HOMECOMING '72



KING KEVIN ROSS AND QUEEN KATHY IVES

This year during Homecoming every class worked their hardest to place first in the floats and skits.

Thursday night the Freshman Class had their dream come true when they placed first with their float — "We'll eat em up."

After the parade everyone assembled in the High School Gym to watch the crowning of the King and Queen, and the skits. The Junior Class triumphed with their skit "Saturday Morning All Stars." The night ended with the annual bonfire lit by Kathy and Kevin.

Excitement continued when the victorious ELKS won the football game over their rival, Union Grove.

The climax of the entire weekend was when Queen Kathy Ives and King Kevin Ross led the Grand March at the Homecoming Dance.

THE THIRTEENTH CHAIR

After weeks of rehearsal and the frustrations of nervousness the EHS All-School Play finally transformed the Auditorium into the world of Crime versus Law and Order.

The play takes place in the home of Roscoe Crosby. A small group of friends have gathered to discover the murder of an acquaintance. They ask a medium to bring back the soul of the dead man so they can find the murderer. During the seance one of the men is killed. The police are called in and the story goes from there.

All three nights more than 450 people attended the performances. They were all thrilled and humored by the excellent job done in the production of the play.

CHRISTMAS '72

As the Christmas season approached, signs of the holiday spirit spread throughout EHS.

The lobby was beautifully decorated by art students. Each class competed for spirit points in Christmas tree decorating. The freshman class was awarded first place.

The music department presented their annual Christmas Concert which heightened the Christmas spirit. The following day brought the climax of the season with the traditional Student Council Christmas assembly. Santa's helper appeared this year giving various appropriate gifts and awards to students. The program also included the junior class Christmas skit, the Student Council attired in choir robes singing Christmas carols — Chipmunk style and an English class presented a Christmas skit. The AFS student was also given various Christmas presents. As the assembly ended — students were dismissed for the Christmas vacation.

ORGANIZATIONS

My dearest Brian,
My, has not it been an enjoyable year!! Remember all the boring days in History and all the laughs in Study Hall. You're so "goofy." Don't forget the blast we had on the ski trip - trail blazing, snow-ball fights and that night in the woods. Then you spilled that pop all over the bed and we were playing cards. Remember 'Easy Rider' with Steve and all the other fun times. Take it easy this summer and don't 'blow your mind.'

Love,
Holly

STUDENT COUNCIL

Officers of the Student Council, led the council into many successful endeavors this year.

This organization represents the student body. In addition to the activities, Homecoming, Spirit Week, Parents Night and Talent Show, a ski trip was held again this year.

The Student Council had the total participation of its members for a very successful year.

This year Elkhorn sent Roger Davis to Argentina for the summer. Roger stayed with the Horacio Rossi family in Sante Fe.

Roy Alfaro was Elkhorn's resident AFSer. He lived with the Lester Johnson family. Roy comes from Costa Rica staying in Elkhorn for a year.

NATIONAL HONOR SOCIETY

The National Honor Society is a selective organization designed to honor the chosen 5% of the junior and senior classes. Outstanding scholastic achievements, leadership abilities and admirable personal qualities are characteristics of those who are NHS members. Its purpose is to encourage all students to strive for the excellence that its standards demand.

Invited applicants are selected as NHS members on why they are seeking membership. The annual banquet in the Spring which is sponsored by the Elkhorn Kiwanis has brought the year to an end for the NHS.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America completed a successful year. Under the leadership of enthusiastic officers and the guidance of Mrs. Arlene DeRienzo, the organization offered many worthwhile activities. Among these activities were a Halloween party, swimming, bowling and tobogganing.

Hot dogs, taffy apples, candles and "Fuzzy Elks" were sold as a means to obtain funds for their activities.

The FHA fulfilled its goal of improving relationships at home, at school and in the community to add to its scrapbook of memories.

GAA AND GYMNASTICS

For the sports minded girl at EHS, there is the Girl's Athletic Association. The girls meet weekly for such sports as basketball, volleyball, and softball. The participants are recognized by awards such as pins and letters. The club competes with other schools in the local area.

Gymnastics is the newest sport for girls at Elkhorn High School. It is the only sport in which both grace and strength are necessary. The girls compete in 4 events — uneven bars, balance beam, floor exercise and horse vaulting. Competition exists on levels — Beginning Compulsory, Intermediate Compulsory, and Optional. Elkhorn has both Beginning and Intermediate levels. Future plans include optional routes and a trip to the state meet.

Art Club consists of students who have once participated in an art course. Officers are elected by the members of the club which is supervised by Mrs. Miller. The students in the club get their chance to show their talents when the Annual Science-Art Fair is held in April. There is also an annual Art Field Trip to the museum.

HORSE AND PONY CLUB

This year was the second year that EHS students had a chance to join the Horse and Pony Club. The members range from those who enjoy riding for pleasure to those who compete in shows. They meet once a month and share their interest in horses as well as widen their knowledge. Their activities this year ranged from an October trail ride and cook out to classroom meetings on various subjects such as horseshoeing, or foaling. Throughout the year, many of their other goals for a fulfilling second year were accomplished.

With its traditional role as an informative school newspaper, the Elk Horn provided a voice for all students through opinion pages and its all-school staff representation.

Under editors, Karen Hughes and Roger Davis, The Elk Horn published another series of very successful newspapers. The staff's advisor, Mrs. Marilyn Fischer provided leadership and enthusiasm.

The Elk Horn became a paper of ideas, commentary and opinion for a reason to strengthen internal student relations. Emphasis was placed on progress and achievement among students and faculty, constantly trying to build morale and spirit.

Mr. Harold Fossum

At the end of the school year the students leave with their 1973 ELK. In these books are the memories of education, friends, and good times.

Under the guidance of Mrs. Behrens, the '73 Elk required endless hours of hard work to complete the scheduled deadlines.

For the students on the staff, it will be a lasting memory as well as a rewarding achievement.

CONCERT BAND

The EHS music department experienced a major change in its curriculum. Two outstanding bands were formed, both under the direction of Mr. Ralph Hughes.

The Concert Band is an organization that enabled its 65 musicians to perform music geared more to their own abilities. The Concert Band rehearsed fourth hour and appeared separately at concerts.

The Wind Ensemble rehearsed seventh hour and its 60 musicians were involved in a greater variety of more difficult music.

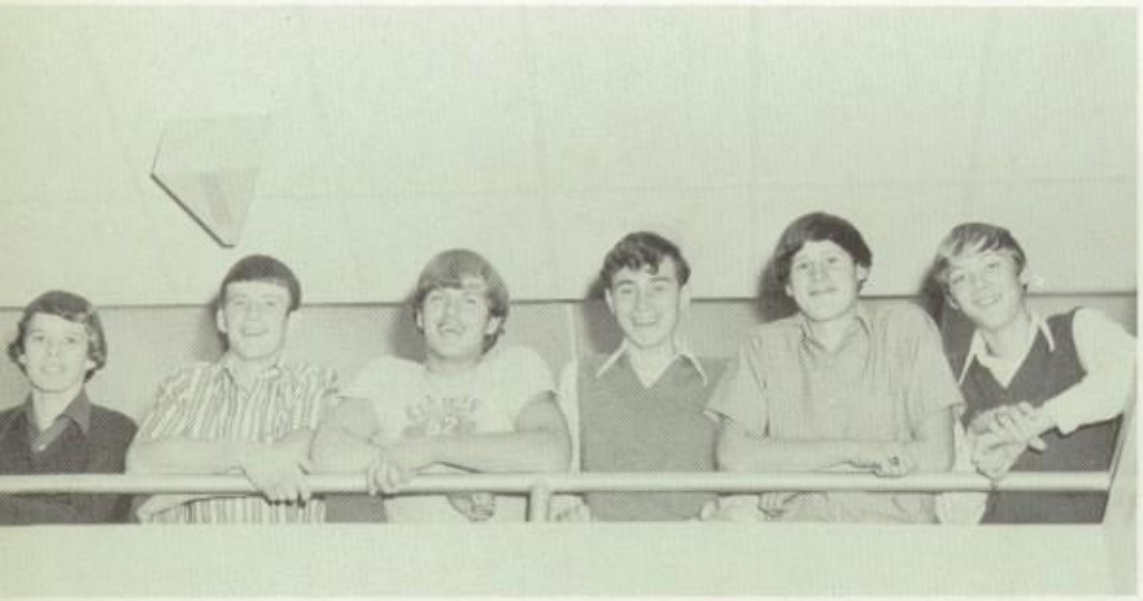
During the marching season the Concert Band and Wind Ensemble alternated half time performances. Homecoming however, involved an excellent show with the bands combined. Long hours of hard work went into each show.

The bands played numerous concerts of which the most important were the Christmas Concert and the Annual Spring Concert which featured a European Trumpetist.

Many varied activities highlighted the 1972-73 year as the band members participated in parades, Band Day at Whitewater and music contests.

The Pep Band is a group of band members who provide pep, enthusiasm and entertainment at pep rallies and home basketball games.

FUTURE FARMERS OF AMERICA



President: S. Bray, Treasurer: D. Rucks, V. President: T. Papcke, Secretary: D. Ganhs, Sentinel: K. Clark, Reporter: B. Baker.

The Future Farmers of America brings out the importance and benefits of our Wisconsin farmland to the students. For the future farmers there were contests and participation in the areas of dairying, livestock, and soil farming. Under the supervision of Mr. Harold Strassburg, the F.F.A. had another successful year which ended in awards night where excelling students were recognized for their participation.

JUNIOR DAIRYMEN

Junior Dairymen is an organization for young men who are interested in raising and producing dairy animals and their products. Some of its objectives are to help the boys learn how to keep better records, test and keep records on each cow in his home herd, improve milk production in the herd, and help boys get started in the dairy industry.

ECOLOGY

The purpose of the Ecology Club is to create an awareness of the ecological problems of our community and what each individual can do to improve or prevent further destruction of our environment. A community-wide paper drive was organized for recycling purposes.

SPORTS

Colin -
Thanks alot for all
the fake information you
gave me in history this year -
But it was fun. Remember all the
times cycling - and at Palenskus's house - wow.
I'll never forget, last summer you, Palenskus and
Jason's V.W. and it killed on us. We were in no
condition to fix it, but cool cal, pulled out his trusty
jack knife and fixed it. I hope to have many good times
with you in explorers. Take it easy Cal and stay cool. See ya
this summer ya hippie -

Luck always
Steve

GIRLS GOLF

The Girls Golf team this year was composed of five girls who placed sixth in the conference meet as a team. Most girls are very busy and find if difficult to find the time to play a game of golf, but Debbie Johnson, Karen Evenson, Melody Brockmann, Debbie Fry, and Pam West represented Elkhorn throughout the season. Coach Fred Suchy, besides relying on these returning girls, is looking for new faces in larger numbers so his Girls Golf Team can be stronger next year.

Tennis for girls is one of the fastest growing sports in the nation. It seemed to grow even at EHS where this year's Tennis Team was composed of the largest number of girls in their history. They compiled a record of 4-3 and finished in third place in the conference. Many girls will be returning and the two coaches, Miss Schaffer and Mrs. Pierce, are optimistic about the years to come.

CROSS COUNTRY

The Elkhorn Cross Country Team this year finished with an 8 win — 2 loss record. This is the best record they have compiled in their four year history. The Elks did very well because their team spirit was high and the runners worked very hard during the off-season. Leading this spirit were Dave Nettekoven and Ken Babcock. The team consisted mostly of Seniors who will be graduating, so Coach Silvernail will be looking for new prospects for the future.

FROSH FOOTBALL

Elkhorn football fans can be more than optimistic about the future as both the Freshman and Junior Varsity teams completed extraordinary seasons. The freshman team under Head Coach Charles Statz and his assistant, John Gibowski had a very successful 5-1-1 record as they learned the most important aspect of the game — fundamentals. At the same time, the sophomore team, rated by Coaches Lowell Voskuil and Richard Price as their finest ever, swept past six straight opponents before being upset by Lake Geneva. They finished with an excellent record of 7 wins and 1 loss.

The Elkhorn Elks, under the leadership of Coaches Paul Yanke and Dean Wilson, roared to Elkhorn's finest second in eighteen years. After opening the season with a win over Wilmot and a near upset of conference champions Whitewater, the Elks won four straight games. This was highlighted by a 12-8 homecoming victory over Union Grove. Each game was thrilling as the three Elk losses were only by a total of 12 points. The Elks, although losing twelve starting seniors, will not be short on experience in 1973 as there are sixteen junior lettermen and 2 sophomore lettermen returning. Past season honors went to Pat Burns, George Miller, Tim Ledger, and Rick Jacobsen who were named to the Western All-Conference Team. Ted Larson received Honorable Mention. Pat Burns and Ted Larson were chosen as Co-Most Valuable Players for Elkhorn while Kevin Ross was named The Most Improved Player, Pat Burns also won the teams Tackling Trophy.

72-73 FRESHMAN BASKETBALL TEAM

The Freshman Team, as is customary in Elkhorn basketball, played without their fine star Mike Chaney who was promoted to the varsity. The result appears to be disastrous on paper but those who understand the necessity of fundamentals realize that Coach Nettesheim's teams are always successful. This year of experience and learning will prove to be essential if Elkhorn is to continue with its winning reputation.

72-73 SOPHOMORE BASKETBALL TEAM

J. P. Fisher's Sophomore Basketball Team provided some of the most exciting basketball in Elkhorn High School history as they roared to an outstanding record. Lacking tremendous height and playing without their top rebounder, John Treslley, for nearly half the season, the sophomores were forced to rely on hustle and determination to make up for their handicaps. This fine team should provide an extremely efficient nucleus for the varsity next year.

The Elkhorn High Basketball Team, under the expert leadership of Head Coach Fred Suchy and his Assistant, Paul Morenz, enjoyed an extremely successful season in 1972-1973. With only three losses in their first 14 games, the Elks gained a firm hold on second place in the Western Division. In their quest for the title, shooting and team coordination were the team's strong points. Two returning All-Conference selections, Pat Burns and Brian Watson, were the major stalwarts in the Elks' attack — but a balanced effort was evident in every game.

With five Junior lettermen, as well as freshman Mike Chaney and sophomore John Treslley returning next year, the future appears bright for Coach Suchy's cagers.

WRESTLING

Junior Varsity Wrestling Included The Following Team Members:

M. Baker, J. Hansen, A. Guadian, J. Cornelison, M. Poggensee, T. Schiefelbein, M. Boyd, J. Johnson, D. Peck, T. Schoen, S. Miller, M. Mann, R. Hartz, K. Kamenick, G. Balestrieri, D. Remer, D. Starck.

The Junior Varsity Wrestling Team, composed of freshmen and sophomores, compiled a 4-4 conference record, and 4-6 overall dual meet record. Most of the wrestlers were young because of the large number of juniors who wrestled on the varsity squad this year, and as a result learning fundamentals was a primary goal. Leading the team were Abel Guadian and Don Starck — sophomores who carried a pinning attitude and should prove valuable assists to the varsity in the future.

The Varsity squad began their season by trouncing Big Foot and East Troy. They then reached a peak by closing the dual meet season with two convincing victories over tough Mukwonago and Burlington. The final tally stood at 6-5 in Conference competition and 6-7 including non-conference matches. By taking fifth in the Conference meet with four wrestlers placing — Scott Bray, Ted Larson, Dave Yardley, and Rick Jacobsen — Elkhorn tied for fifth place in the overall standings. At the Kenosha-Bradford Invitational, Dan Dixon, Scott Bray, and John Beierle placed first, Ted Larson took a second, and Marc Chess carded a third, while the team finished second. In the Wilmot Invitational the Elks placed third, Ted Larson taking a gold, Scott Bray, Jeff Ganhs, and John Beierle picking up silvers, and Marc Chess and Rick Jacobsen took home bronze medals. Moving into the final state competition, at the regional tournament, the Elks qualified two wrestlers, Scott Bray and Ted Larson, to wrestle in the sectional meet. The Elks will be losing only three senior wrestlers and should prove to be tough competitors next year.

Brian- (COC)

I can't bare to write in this because it makes me sad. I'll miss ya lots! We had many good times together — I'll never forget when you were a "fresh" and I was a "soph"! Always take care and keep up your standards - don't settle for me & those "you know what" kind of girls!

Love you,

Shelly

inter collegiate
press, inc.

Brian,
Sorry to be
late - I was
usually in rough shape
but usually
had to and usually
Will have to go
Anytime - some time - I'll usually
wanted - this summer OK?
So the meantime
take care of yourself
Absolute Buddy -
Hope to
Joanne

Caldonia,

What makes youre big head so hoard.? Youre a great kid Cal. A syper-star in youre own way. Hard headedness is pretty cool, I think. God Bless you Cal.

Byrnie

Brian,
calhoun!
I feel honored
to be the first one
to sign your book! Your
a great friend Brian
am really glad you are
one. all that stuff you
went through with my
yellin about Steve
what would I have
done without ya?
I hope you find
happiness always. Enough of
that mushy stuff you mush or not
FREAK! Ya mean a lot Bri, it's all
to me + are one of my
closest friends (I said
enough of that mush!)
Well now that I've
taken up most of this
page....!

Love ya,
"Jennifer"

P.S. come out
swimming this summer!
hope to see you
and...
keep in touch!
(all through the
summer)

remember,
we are the
only sane people in
this school

Squirrel!
